

E-BIKES

EASY GO

The Easy GO bicycles are quite light (from 16 kg) and offer the aesthetic of conventional bicycles.

Transmission and standard **Q Factor**
for use as a conventional bike

SMALL BATTERY AND MOTOR; LIGHT AND POWERFUL

Its compact 250 W motor is very light and powerful.
The 216 W battery (36V/6A) for a travel range of 45 km.

OPTIONAL KITS

Apps Lite & Premium that you can download from the website allows you to connect your cell phone to your bike, telling you the battery level, average speed, travel time... **Light Upgrade Kit** and **Quick Release** motor.
